Dear Colleague,

Subject: Call for proposal to nominate candidates for core seconded personnel within the EU Border Assistance Mission to the Republic of Moldova and Ukraine (EUBAM)

The Delegation of the European Union to the Republic of Moldova has the honour to invite EU Member States (EU MS) to nominate candidates to fill core seconded posts available within EUBAM. The available posts are the following ones:

- Head of EUBAM Office in Ukraine
- Cross-border Crime Expert
- Border Control and Border Management Expert
- Customs and Border Management Expert

The respective job descriptions are here attached. Seconded experts are international experts seconded by the mandated body of the EU MS (i.e. Customs and Border Guard/Police services of the EU MS) to work for EUBAM for a period determined by EUBAM in close cooperation with EU MS.

EUBAM is a European flagship project in the area of border assistance initiated in 2005 at the request of Ukraine and Republic of Moldova. EUBAM's activities and its success in the border segment between Ukraine and Republic of Moldova are best acknowledged by the repetitive extension of EUBAM mandate and operations for the past 13 years.

In this regard, I would be grateful if you could kindly ensure a wide circulation of the enclosed note and annexes to the attention of national customs and border police/guard and police administrations and other relevant national services in your country.

Applications for seconded posts should be sent, together with detailed Curriculum vitae in English language (see Annex IV – Curriculum vitae template) indicating no more than two preferred job profiles **through the relevant national administrations of the EU Member States** to the EU Delegation in Chisinau, Republic of Moldova by e-mail to registry@eubam.org and copies to: delegation-

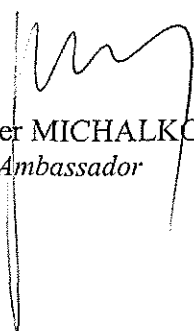

moldova@eeas.europa.eu with reference "Application for seconded post in EUBAM".

Application files for seconded posts shall be received **by 15 January 2018 at the latest**.

Candidates shall indicate in a cover note what post they are applying for, whether their national administration would accept the secondment and whether they would accept to be considered for a different post within the Mission. Short-listed candidates may expect to be contacted for further information and interview.

The Delegation wishes to thank the EU Member States in advance for their support in this important joint endeavour.

Sincerely yours,

Peter MICHALKO
Ambassador
